In-Home Supportive Services Recoupment

The purpose of this notice is to inform counties of a change in the schedule for the recoupment of the Fiscal Year (FY) 1986/87 county share for the In-Home Supportive Services (IHSS) Program.

In order to meet program liabilities, the recoupment of the FY 1986/87 IHSS county share will be made in two parts. The first recoupment will be made on the July 1987 county administrative advance for Aid to Families with Dependent Children, Eligibility Non Services-Family Group/Unemployed (AFDC ENS-FG/U). The county shares are based on actual county administrative expenditures reported through the March 1987 quarter (nine months) and the actual EDSF data reported through May 1987 (11 months). The remaining portion will be recouped in November, when the June 1987 quarter claim is processed.

Foster Care Assistance Advance

Effective July 1987, the Foster Care Assistance Advance will be processed as a banking schedule (with the exception of non-banking counties) and will be included with your AFDC-FG/U advances.
